FOREWORD

TO THE STUDENTS

FACULTY

ALUMNI

AND FRIENDS OF SPRING HILL COLLEGE

We, the staff members of the 1954 TORCH, have tried to give you our college in photograph and sketch. To this we have added a few words. In all three media we have sought to record the SPIRITUAL, CULTURAL, PHYSICAL and ACADEMIC life of Spring Hill College. It is our hope that many years from now you will be able to look back through the eyes of the 1954 TORCH and see the personalities you knew, the teachers who guided you, the early friends you made, the places enriched for you by what you did, and said and were. It is our hope, moreover, that you will see the Spring Hill of the Marian Year, dominated by the spirit of Christ and Mary. With this hope in mind we have dedicated the 1954 Torch to Mary and have developed this dedication into an important section of our book.

For the present—after you have been startled by the flyleaf picture of icicles on a Gulf Coast college campus and remember that it was the Marian Year that was marked for one brief moment by the white mantle of snow—we hope you will see through the gates of our title page the full and rich life of Spring Hill College.

DEDICATION TO

MARIAN YEAR

DEDICATION

BECAUSE we know ourselves to be through no merits of our own but through the abundant graces won for us by the death of our Elder Brother on the Cross, the sons and daughters of that Valiant Woman who gave us her heart's treasure to be our ransom and our reward without end— — —

BECAUSE like grateful children of all the ages we desire nothing more than to gladden the heart of our heaven-given Mother by some gift that she will treasure not for its intrinsic value but because of the testimony it bears to our enduring and heartfelt love — — —

We, the EDITORS OF THE TORCH FOR THIS MARIAN YEAR OF 1954

on behalf of the students and faculty of this ancient college, protected as it is by Mary's spouse, Saint Joseph, and entrusted to her sons who are proud to be numbered of the Company of Jesus, — — —

HEREWITH DEDICATE AND CONSECRATE THIS BOOK OF MEMORIES TO OUR IMMACULATE MOTHER,

the Seat of Wisdom, the Mother of Fair Love, the Cause of our joy, at whose work the Son of the Most High took flesh of her flesh and dwelt amongst us, never in God's plan to leave us thereafter.

POPE PIUS XII OPENS MARIAN YEAR.

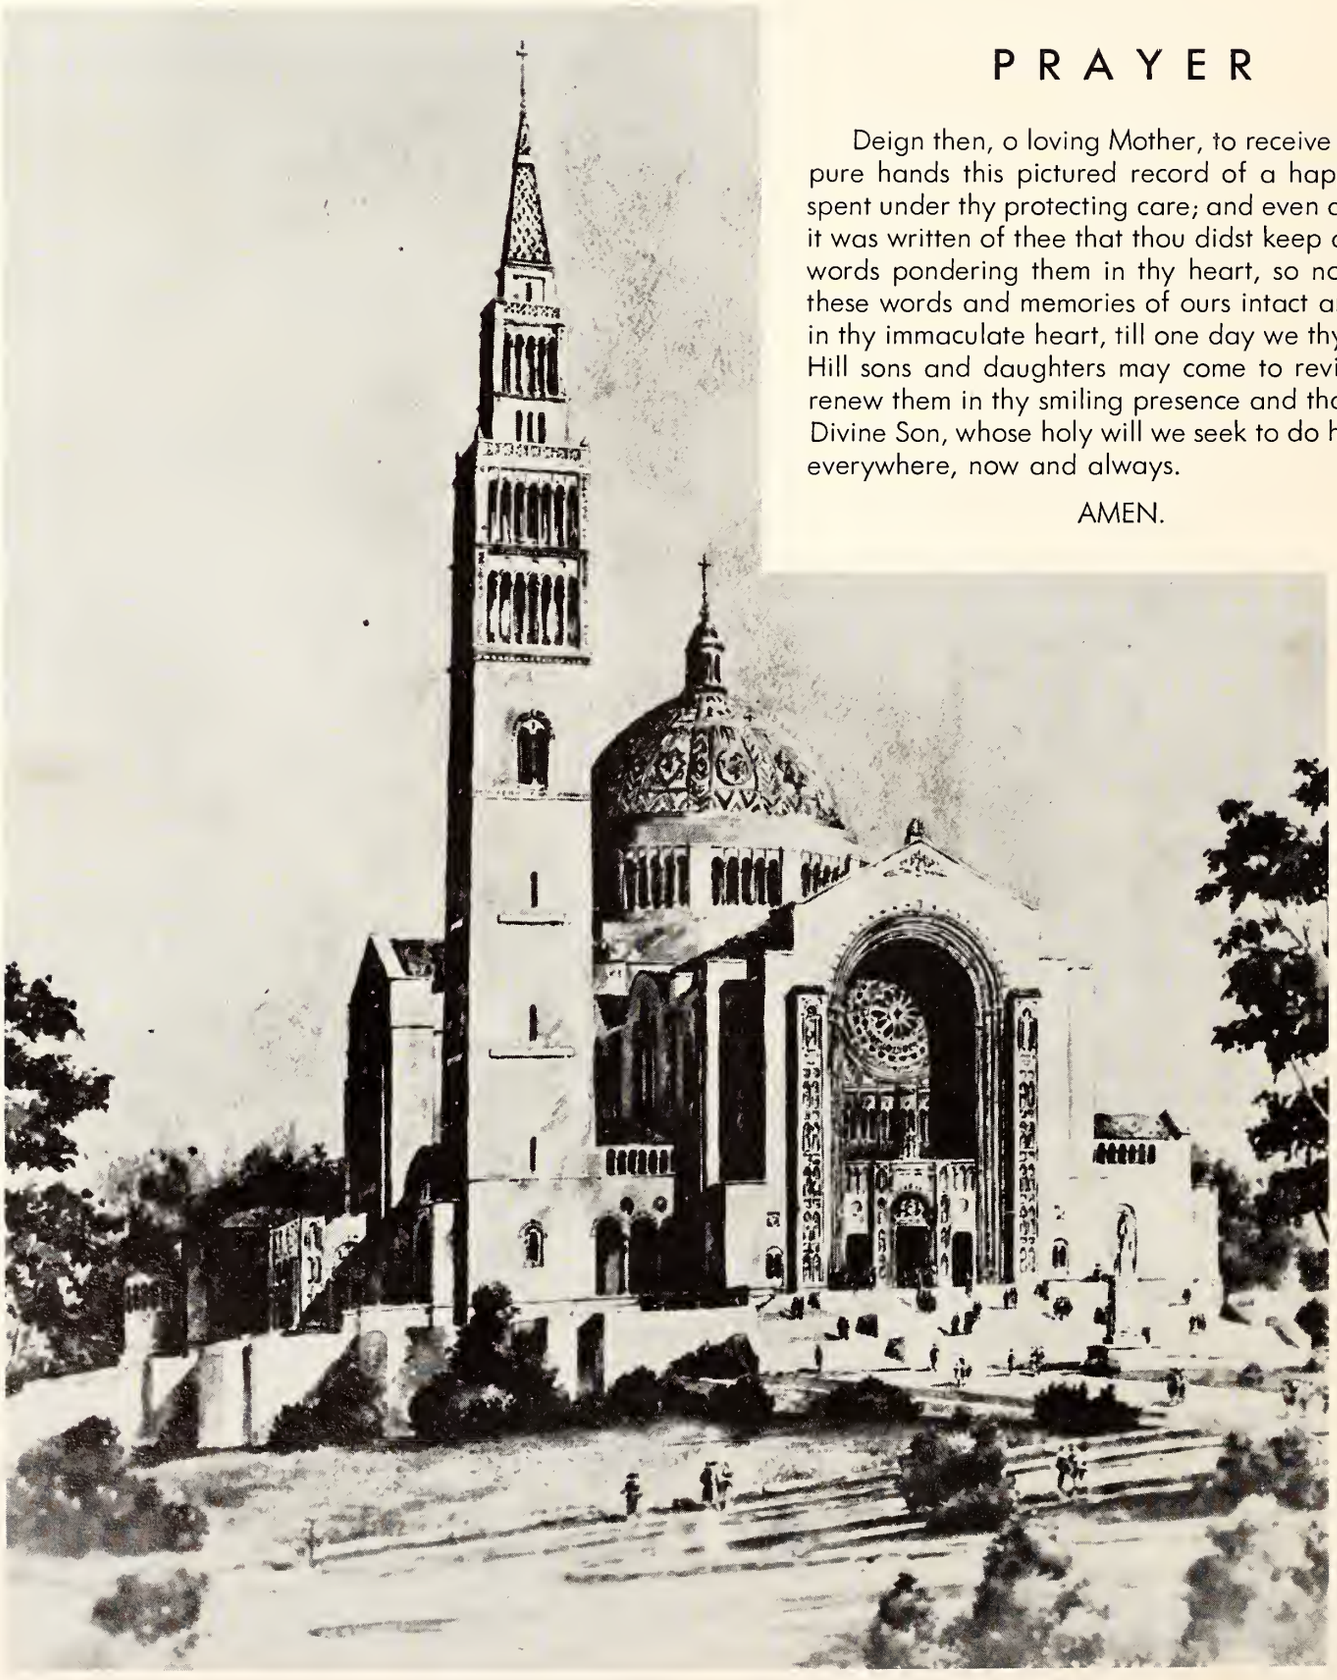
FIRST SATURDAY MASS IN THE CHAPEL

DEDICATION TO

PRAYER

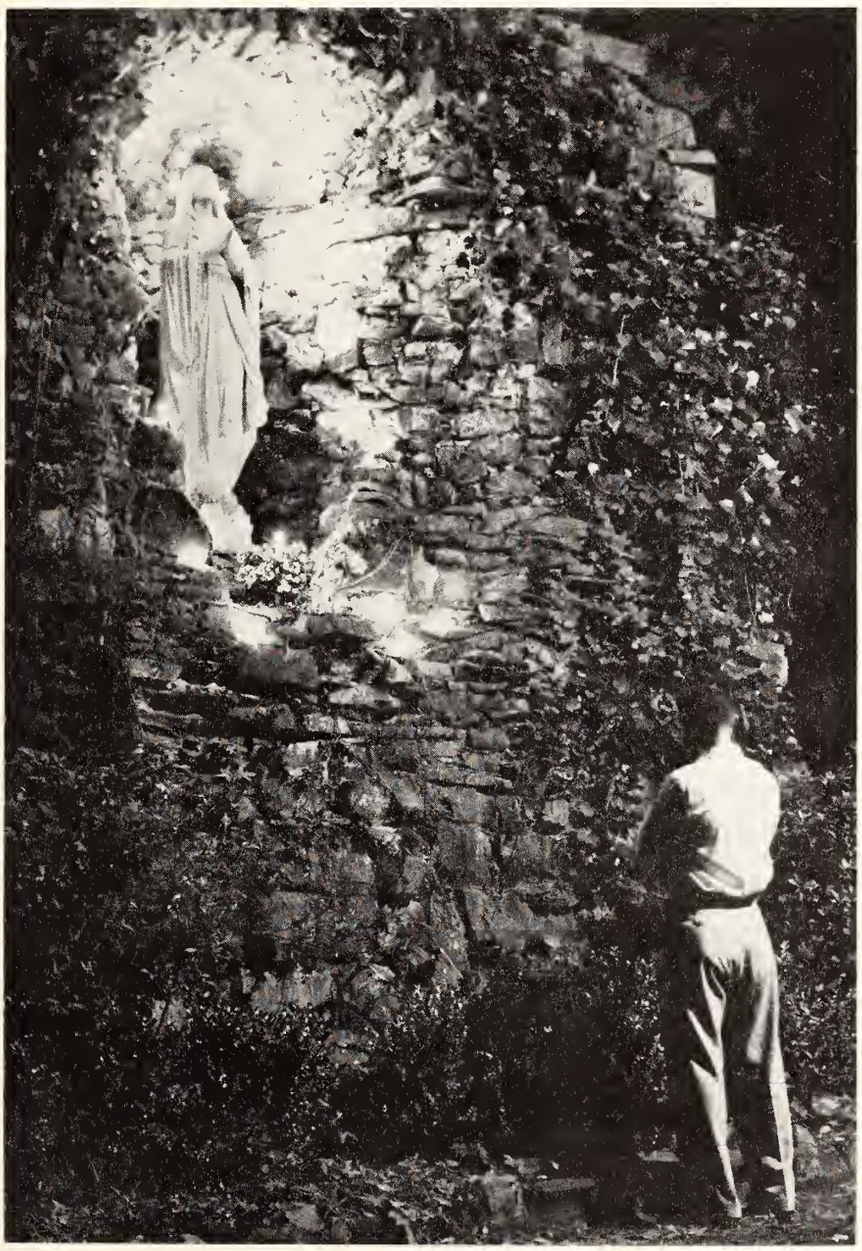
Deign then, o loving Mother, to receive into thy pure hands this pictured record of a happy year spent under thy protecting care; and even as of old it was written of thee that thou didst keep all these words pondering them in thy heart, so now keep these words and memories of ours intact and alive in thy immaculate heart, till one day we thy Spring Hill sons and daughters may come to review and renew them in thy smiling presence and that of thy Divine Son, whose holy will we seek to do here and everywhere, now and always.

AMEN.



NATIONAL SHRINE OF THE IMMACULATE CONCEPTION

MARIAN YEAR



STABAT MATER
ATOMIC AGE

Let not our frightened faces
Be a sign to you
We do not hope.
Nor let the sweet, perilous clutch
We hold on flesh
Make you believe
We have forgotten
The old serpent and the bitten apple.
For we see the heelprint on his head
Where you had crushed him
In our own hearts.
The apple has grown bitter to our taste;
It is our lax hand
That will not lay it down.
We see your finger point the way
To our own peculiar prayer and passion.
We cannot shake it off
Or turn away.
The voice of Tabor and of Calvary
Yet trembles on the air.

In our anguish
We cannot hide the fear
That creeps along our blood
When we feel the dead serpent stir.
We lift up our hands
That you may strike it down once more.
Let us not shake the tree again
And bring down around us
The blazing rain of knowledge uncontrolled.
Let not the paradise
We have planned outside the walls
Be burned away with our own hands,
So that God will say,
"Behold, they have become
As one of us,"
And leave us to save ourselves.

Stand by us on the way
And show us the seven swords
In your heart
And pray for us your sons.
It is to our shame
That we are not strong.
But we shall not fail
To stumble to our feet again,
If you will but say,
"Thus did my Son,
He stands beside you;
His hand is in your hand.
The cross is old
And very dear to him;
He has grown accustomed
To the place
That fits His shoulder
Worn by the Calvaries of ten thousand years."

Sodality Director

SODALITY OF

The sodality of the Blessed Virgin is the earliest campus organization. A Sodality was established at Spring Hill College in 1847, the year in which the direction of the College was entrusted to the Society of Jesus by the Right Reverend Michael Portier, the first Bishop of Mobile.

The object of a Sodality is to promote the personal sanctification of its members and the salvation and sanctification of others, through an ardent love and devotion to the Mother of God.

OUR LADY

The College Sodalities have throughout the year initiated and cooperated with projects that contribute to the spiritual progress of the College. In particular, in this Marian Year, they have promoted the recitation of the Rosary at the Grotto at noon and in each residence hall at night, the study of Marian theology, the delivery of Marian talks, and the composition of Marian poetry.

MARIAN YEAR PRAYER

(The following prayer for the Marian Year was Personally composed by His Holiness, Pope Pius XII.) 12-18-53

Enraptured by the splendor of your heavenly beauty, and impelled by the anxieties of the world, we cast ourselves into your arms, O Immaculate Mother of Jesus and our Mother, Mary, confident of finding in your most loving heart appeasement of our ardent desires, and a safe harbor from the tempests which beset us on every side.

Though degraded by our faults and overwhelmed by infinite misery, we admire and praise the peerless richness of sublime gifts with which God has filled you, above every other mere creature, from the first moment of your Conception until the day which, after your Assumption into heaven, He crowned you Queen of the Universe.

O crystal Fountain of faith, bathe our minds with the eternal truths! O fragrant Lily of all holiness, captivate our hearts with your heavenly perfume! O Conqueress of evil on earth, inspire in us a deep horror of sin which makes the soul detestable to God and a slave to hell!

OUR LADY

The Band has made remarkable progress under the able direction of Claus Sadlier. Mr Sadlier has shown by his enthusiasm that a small group of students can obtain a professional sound. At the basketball games the band has been the prime factor for the spirit which helps make a winning team. The Band performed at the Open House where it rendered an excellent pops concert. Next year with more experience behind it the band is looking forward to even greater goals.

Director of the Evening Division

The Evening Division offers a variety of courses in downtown Mobile for the benefit of students who are unable to attend classes during the day. The Division offers, for the most part, courses from the Department of Commerce. However, to satisfy the needs of those who wish to qualify for the bachelors degree, other required courses are regularly given. Regular Spring Hill Students also take courses there in order to supplement their ordinary curricula.

EVENING DIVISION

GRADUATES

Spring Hill's Evening Division is now showing the fruits of the harvest in as much as it has produced four times as many graduates this year as last. The Evening Division graduates have shown their interest in obtaining an education at night, while in most cases working for a living in the day.

These persons are to be commended on their achievement because the average span for a night school graduate is 6 years as compared with 4 of a regular student.

STUDENTS

The preceeding portion of this Academic Section was devoted to the Administration and Faculty who give academic standing to the following portion devoted to the students. The various campus organizations, composed of students with exceptional scholastic abilities, come first. These are followed by the students, ranging from the freshmen, who have just begun their academic training, to the graduating seniors, who are now ready to make practical application of their academic knowledge.

These, as a whole, compose the Academic Section.

STUDENT COUNCIL

The Student Council consists of representatives from campus organizations and student elected members. It serves a useful variety of campus purposes. Besides its duties as a student governing board it serves as a coordinating center for all the activities of campus organizations. It gives an excellent opportunity for the recognition of qualities of leadership in the student body.

AMERICAN CHEMICAL SOCIETY

An outgrowth of the old Chemical Club, the American Chemical Society is a three year old new-comer to the Hill campus. The general aim of the Society is to foster interest in the science of Chemistry. It has gained the esteem of regional high schools by serving as an annual host to visiting high school chemistry classes. The society itself makes field trips to various chemical plants in the Mobile area.
